Memorable moments in People's lives.**

# Why study English in SEI?

## One on One lecture with excellent teachers

Teachers are all native speakers as well as have various experiences in this field. They are very familiar with Japanese culture and well understand how to teach them as well. Teachers are very passionate to improve student's English level. Through 1:1 lectures you can maximize your level within short-term.

## Various opportunities for activities

We offer lots of opportunities for activities like scuba diving, snorkeling, wakeboard, golf, and horse-riding besides excellent lectures. And also, we have tour program with teachers.

You can extremely improve your English in the environment where you are naturally exposed in using English.

## Study with your own dormitory (Single room)

You will stay in the two story house with two rooms. Each student will have their own room to stay. It is strongly guaranteed safe and comfortable environment for personal privacy. All rooms have fully furnished with bed, air-condition, fridge and so on. Enjoy your rest with own house.

- b) Various assessment methods through SEI level test, Quiz, TOEIC mock test.
- c) Diagnose weakness by a variety of views with these different assessment and present expected learning results after programs.

SEI LEVEL		레벨정의
LEVEL 5	Advanced	Can understand with ease virtually everything heard or read. Can summarize information from different spoken and written sources. Can express him/herself spontaneously, very fluently and precisely. Can express what they thought in debate and presentation.
LEVEL 4	High Intermediate	Can understand a wide range of demanding, longer texts, and recognize implicit meaning. Can express him/herself fluently and spontaneously without much obvious searching for expression. Can use language flexibly and effectively for social, academic and professional purposes.
LEVEL 3	Intermediate	Can understand main idea of complex text on both concrete and abstract topics, including technical discussion in his/herself field of specialization. Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party.
LEVEL 2	Low Intermediate	Can understand sentences and frequently used expressions related to areas of immediate relevance (e.g. very basic personal and family information, shopping, local geography, employment). Can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters.
LEVEL 1	Beginner	Can understand and use familiar everyday expressions and very basic phrases. Can introduce him/herself and others and can ask and answer questions about personal details. Can interact in a simple way provided the other person talks slowly.

# Senior Teachers' message

Sanfernando  
English  
Institute

**Teacher : William**

Florida State University  
Master of Science in Higher Education  
Colgate University  
Bachelor of Arts in Political Science / Spanish

Hi there. I'm William, I was a professor of ESL at Korea University. I finished my master degree of Science in Higher Education in Florida State University. I have been teaching English for many years now and I already mastered the art of teaching. There are some ways to improve your English skills.

First of all, 'Enjoy English' This is the key to be fluent in English speaking. Let me help you to achieve this goal and see you in one of my classes.

- William -

Institute

**Teacher : Ronnie**

Armstrong Atlantic University  
Bachelor of Criminal Justice / Child Psychology

Hello Everyone. I'm Ronnie from New York. I really enjoy teaching students English. That's why I started this teaching job as a ESL teacher here.

I have been teaching English especially for beginners so If you're interested in English, I could help you to get your goal. Nice to meet you and hope to see you in SEI.

- Ronnie -

# Enjoy with SEI

The Clark airport near SEI have airline services to Kota Kinabalu, Palawan Island, Boracay, Hong Kong, Singapore. Those areas are very closed to here, you can use the airlines with the cheapest prices on weekend.

You can focus on studying on weekday in the great environment with excellent teachers. You also enjoy holiday with friends who has various background like Korea, Japan, Taiwan etc. Further more, you can enjoy special activities such as scuba diving, snorkeling, wakeboard, golf, house-riding etc.
