# Think English. Think Cleverlearn.

## Your English Program at your own choice.

[www.cleverlearncebu.com](http://www.cleverlearncebu.com)

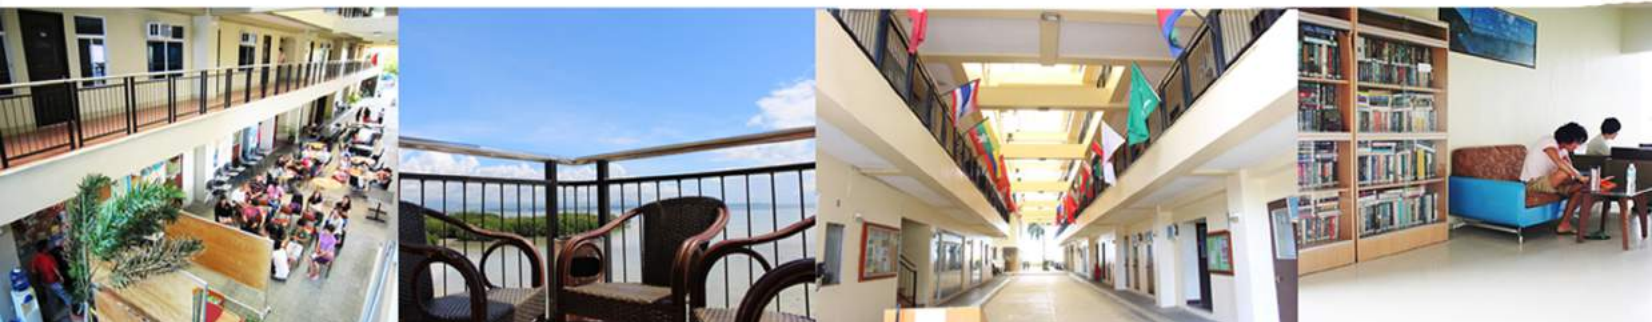

**Cleverlearn English Language Institute (CELI) is an American-owned English Language School operating in Cebu, Philippines for more than a decade.**

**It is situated in the heart of the historical Island of Mactan. Not only is it minutes away from an international airport, it is also accessible to many beach resorts.**

**CELI caters students of different nationalities and continues to give a quality English education to its students.**

# A MORE FLEXIBLE ENGLISH PROGRAM

Cleverlearn English Language Institute offers the cheapest price there is to offer.

We created English Programs tailor-fit to students levels and goals. With our newest course structure, students have the privilege to customize their course program according to their needs and demands.

Many options are provided to students to make their stay more comfortable and study much more enjoyable.
