Clark Freeport Zone is 80km north of Manila and takes 1 and a half hour by bus . Incheon Airport in South Korea is 3hours and 40 minutes away from Manila. Asiana and Jinair has Incheon-Clark direct flight. Until 1991, Clark Airport was a US Air Force Base before it became the CIA or Clark International Airport, when the development of Clark as an economic zone with various multinational corporations was established. It has an autonomous government that ensures its almost zero-crime record with its specific entry and exit gates under security for 24/7.

Aside from that, all establishments and streets inside the free port zone has security personnel to assure safety in the area. The Philippines has tropical weather and the temperature ranges around 25-32 degree celsius fo the whole year.
