About

The Young Learners' Programme

About Rose of York Language School

Rose of York is located in the centre of London and offers students a rich cultural experience as well as providing stimulating, useful, authentic, fun and communicative lessons to help you develop and progress your English language learning.

Rose of York is an inviting and friendly school which has been providing excellent language tuition since it was established in 1989. Rose of York is accredited by the British Council and is a member of English UK.

The Rose of York Team

All Rose of York staff must pass strict safeguarding checks, including the Children's Barred List and an Enhanced DBS (criminal record check). All staff have completed a course in Safeguarding and the welfare staff caring for your children also hold the Level 4 (formerly, the Advanced) Safeguarding Certificate.

We have a no-tolerance policy towards bullying and abusive behaviour. If any student feels that they are being bullied or they have seen someone being bullied, our specially trained welfare team are available to help.

Our support staff and student services officers keep a very close eye on student attendance. All Young Learners must attend 100% of their lessons; if they are more than 15 minutes late, we will contact them to find out where they are and why they are late. In case of an emergency, all students are given the emergency telephone number which is available 24-hours-a-day, 7-days-a-week.

Young Learners' Programme

Our Young Learner courses are designed to help juniors (students aged 8 to 16 years old) practise and develop their English communication and language skills through a variety of fun and interesting activities. These courses can be tailored to meet the needs of specific groups and age ranges of students. In addition to classroom study, the programme includes a wide variety of activities such as games, competitions and day trips. Students will not only learn the language but also become more familiar with British culture through exploring places of interest in London and the surrounding areas.
